Q2 How would you describe living in Clarence? What's good and not so good?

Screen Name Redacted 11/21/2023 12:18 PM	Good people lots of traffic everything is close
Screen Name Redacted 11/21/2023 12:20 PM	The environment and lack of things for kids to do
Screen Name Redacted 11/21/2023 12:24 PM	Environment lack of thing to do
Screen Name Redacted 11/21/2023 03:37 PM	I'm not sure how I would describe it due to the fact I have not lived anywhere else. But otherwise it's pretty good.
Screen Name Redacted 11/22/2023 01:30 PM	It's okay. The good thing is the community. What isn't good is probably the eshays. Though you can't do much about them.
Screen Name Redacted 11/22/2023 08:51 PM	Being a teenager in 2023 is a struggle, you get followed by security guards in shopping centres and get looked up and down by people thinking you’re causing trouble when you’re not
Screen Name Redacted 11/23/2023 05:26 PM	GOOD
Screen Name Redacted 11/24/2023 12:24 PM	It’s good
Screen Name Redacted 11/24/2023 12:30 PM	good i like school here not classes and good eastlands
Screen Name Redacted 11/24/2023 12:59 PM	The weather
Screen Name Redacted 11/24/2023 01:05 PM	It is good
Screen Name Redacted 11/24/2023 01:05 PM	Do not live in Clarence

Screen Name Redacted 11/24/2023 01:47 PM	it’s good the teachers are nice
Screen Name Redacted 11/24/2023 02:03 PM	Good, it’s a very nice community to be apart of
Screen Name Redacted 11/24/2023 02:35 PM	Clarence has a mix of wide open spaces, the best clean beaches and walking and bike tracks. The skate parks are pretty cool too. What’s needed is better transportation in outer laying areas. More internal spaces for hanging out, art and culture is lacking.
Screen Name Redacted 11/24/2023 07:44 PM	I love it, there's lots of parks and walking tracks, however I am in a slightly rural area and the public transport system is very poor. We are also in need of more indoor netball courts in Clarence
Screen Name Redacted 11/25/2023 05:40 PM	The shopping facilities are well maintained and as are the upper class neighbourhood. However lower income areas (Clarendon Vale and Rokeby especially) have a lack of proper care. Large dead animals are left on or next to the road to fester, burnt out cars are also neglected (because they're 'partially on private property' I'd assume, but that's ridiculous and bureaucratic reasoning to leave something ugly and potentially dangerous just sitting around. I'm sure the owners don't want it on their property either. Get it together and come to an agreement to get that sort of junk out of here). Teenagers are left to loiter and cause trouble, or ride their bikes unsafely (especially on the connecting road between Glebe hill village and Clarendon Vale) and do wheelies next to buses, cars and even police cars (officers seem to have no interest in stopping them). On top of that, the housing crisis coupled with all these random lots being bought and left empty, though that may not be within the council's control, it's definitely a contributing factor to poor attitudes and lack of pride in the area (not to mention just more places for people to mess around and throw trash in). It may also help to have the large waste people come around more than once a year due to low income people not always being able to move out bigger furniture/trash by themselves. Harsher punishments for things like theft, etc for people under 18 (such as community service) instead of a slap on the wrist would be great, I'm sure there's some dialogue between the council and police that may be able to facilitate that as a deterrent at the very least.
Screen Name Redacted 11/26/2023 11:01 AM	Too many eshays
Screen Name Redacted	There's a fair bit of antisocial behaviour at the moment. There's also

11/27/2023 10:48 AM	a real lack of nice cafes people can catch up with their friends and family at. Proper cafes that serve hot food, not just bakeries.
Screen Name Redacted 11/27/2023 03:53 PM	Great place to live, just not enough for our youth to be connected to our community, not enough community policing.Most Tas police do not communicate well or create positive relationships with our youth.
Screen Name Redacted 11/27/2023 04:55 PM	i love living here, with the new developments in Glebe everything is exciting again, i just wish that we had more of focus on youth engagement and community programs.
Screen Name Redacted 11/27/2023 10:41 PM	Clarence is good, but there isn't much to do in my area. There's lots to do near eastlands and rosny, but not at rokeby or Lauderdale and oakdowns area. All the parks and activities are in one main area with nothing for kids to do down my way
Screen Name Redacted 11/27/2023 11:18 PM	Close to everything, nice parks and skate park.
Screen Name Redacted 11/28/2023 10:00 AM	I love clarence and the eastern shore. It’s still close to CBD but feels secluded and away from city life. I also love the beaches… but not recently as the water is always contaminated and not good for swimming sadly.
Screen Name Redacted 11/28/2023 12:06 PM	It’s good! Safe environment (in Howrah area), everything is accessible. Anything that would be not so good could be the occasional bogans down at shoreline or loud burn outs over night.
Screen Name Redacted 11/28/2023 12:36 PM	I love living on the eastern shore, it’s nice and sunny, and has a good community but there aren’t as many restaurants, and I feel as though there could be more community areas like parks and outdoor areas to share
Screen Name Redacted 11/28/2023 05:16 PM	shit
Screen Name Redacted 11/28/2023 05:21 PM	I'd say it's pretty good
Screen Name Redacted	Transport services

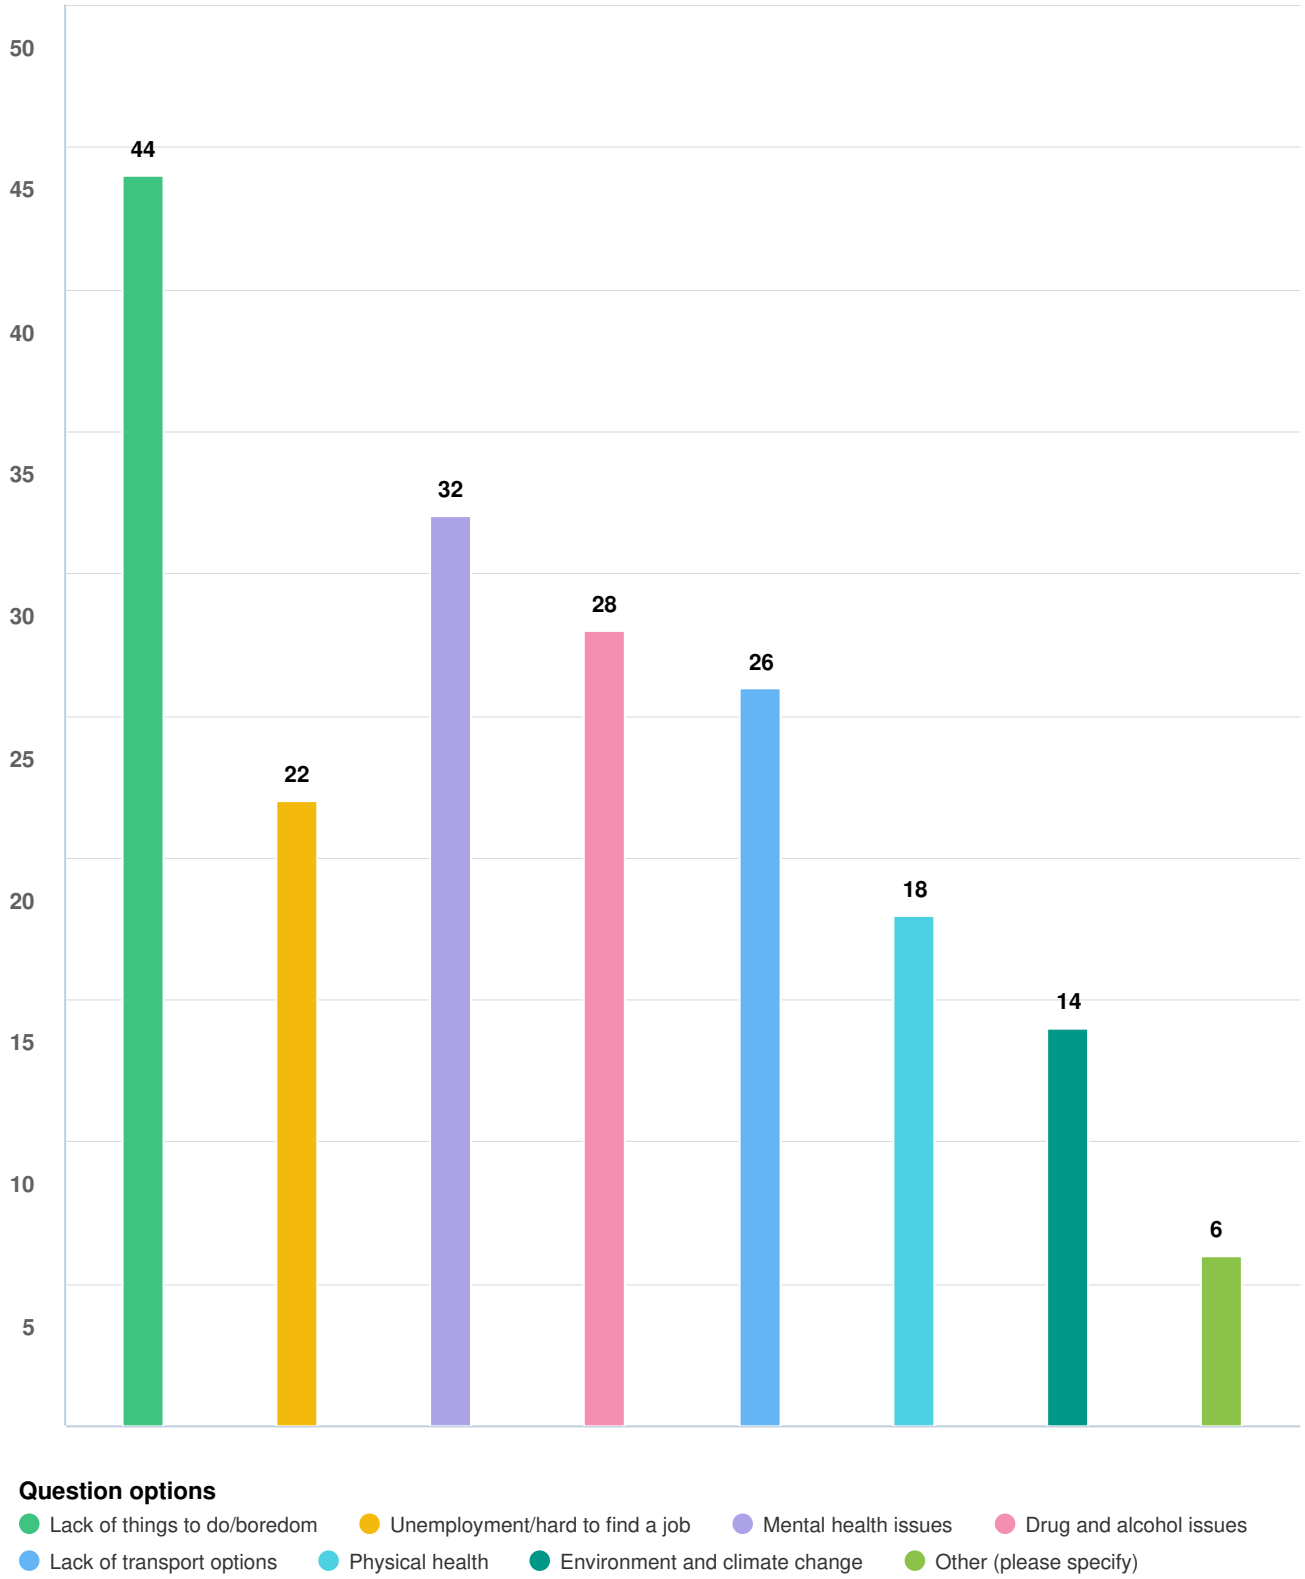

11/28/2023 07:19 PM	
Screen Name Redacted 11/29/2023 07:45 AM	I am scared of youth in the bus mall
Screen Name Redacted 11/29/2023 10:02 AM	Living in Clarence is good in a way for public transport, close to everything such as Eastlands parks doctors and takeaway. What's not so good is the traffic of a working day in the morning and afternoon. People hooning around at 12am on motorised bikes.
Screen Name Redacted 11/29/2023 10:11 AM	Good xx 3 want a skate park at Clifton and cremorne
Screen Name Redacted 12/01/2023 03:00 PM	Boring; nothing to do; don't feel safe; not enough infrastructure for teens around beaches and parks;
Screen Name Redacted 12/12/2023 05:35 PM	Minimum parking restrictions, beaches, waterfront, dog friendly and all the greenery is great. Eastland's bus mall and rosny hill lookout sucks
Screen Name Redacted 12/12/2023 06:44 PM	Good
Screen Name Redacted 12/12/2023 06:57 PM	Mountain biking is good, and the places to do it are well organised and mostly well looked after. The Rosny bus mall is a scary place. I avoid it.
Screen Name Redacted 12/12/2023 08:58 PM	Not enough things for teenagers to do
Screen Name Redacted 12/13/2023 05:53 AM	It's a beautiful place especiallt do
Screen Name Redacted 12/13/2023 07:48 AM	Very good for those with financial capacity, very difficult and bleak for those youth without supports, employment opportunities and from suburbs that have been stigmatised and ignored generations.
Screen Name Redacted 12/13/2023 09:38 AM	I love living in the Clarence area, have been in Bellerive most my life and just recently moved to Tranmere and have barely ever had problems. It is always quite a calm environment and have always felt

	quite together as a community.
Screen Name Redacted 12/14/2023 06:36 PM	Scary because of people
Screen Name Redacted 12/14/2023 06:40 PM	I don’t like it because of scary people
Screen Name Redacted 12/14/2023 07:27 PM	Good
Screen Name Redacted 12/14/2023 08:13 PM	I remember when I was a teenager that the only place to hang out was a nearby park which is terrible in winter
Screen Name Redacted 12/15/2023 06:46 AM	It is good but it’s really hard to ride my bike to school because I feel like a car is going to crash into me.
Screen Name Redacted 12/16/2023 12:03 AM	well, for me i like it, well the idea of it. clarence is good, my friends live there, theres the beaches, shops, footy, school and lots of other fun things, i dont really have anything to complain about. i live in lindersfarne, and its a bit boring over in that direction. so i dont really hang out in the main parts of clarence often, by that i mean howrah, bellreive, where the fun stuff is. exept for school, really.
Screen Name Redacted 12/16/2023 11:16 PM	Bus transport is okay and its next to the beach. There are no good parks or play areas for young children or teenagers in lauderdale, there is no safe way to ride or walk from lauderdale to Rokeby. Apart from the parks there are no forms of entertainment. There is no type of youth centre in the lauderdale area. There are no free exercise equipment stations in lauderdale.
Screen Name Redacted 12/30/2023 12:47 PM	Clarence has great access to natural coastlines, bushland with services located around population centres.
Screen Name Redacted 1/03/2024 06:48 PM	Great. Love the skate park and walking in the green space behind Eastlands and chilling out in the park next to Rosny college please keep the green space
Screen Name Redacted 1/22/2024 05:50 PM	Living in clarence has limited choices as there is not many places to hangout inside. There are no places to hang out in the evening or on

the weekend. It feels sometimes young people are left out as there is activities or events that are not suitable time range for young people. some areas of clarence are chilled and some are very not pleasant because of some troubled teens.

Screen Name Redacted 11/24/2023 07:44 PM	Did not know about it
Screen Name Redacted 11/25/2023 05:40 PM	Wasn't really aware of it, and it's difficult to get to through public transport.
Screen Name Redacted 11/27/2023 03:53 PM	Needs to been more central to transit area, like buss mall /rosny area
Screen Name Redacted 11/27/2023 11:18 PM	Don't feel safe in that area
Screen Name Redacted 11/28/2023 10:00 AM	didn’t know

Screen Name Redacted 11/28/2023 05:21 PM	I only visit it for YNAG

Screen Name Redacted 11/29/2023 07:45 AM	I don’t live in Rokeby
Screen Name Redacted 11/29/2023 12:02 PM	Its too far away, need somewhere close to my school, Rosny Park/Bellerive area would be better, walking distance from the bus mall.
Screen Name Redacted 12/01/2023 03:00 PM	It doesn't feel safe; too far away and too hard to get to from Lindisfarne; if I had to get home quickly, there's no way as buses are infrequent.
Screen Name Redacted 12/12/2023 05:35 PM	Didn't know about it
Screen Name Redacted 12/12/2023 06:44 PM	I have visit that centre but buses don’t run that well

Screen Name Redacted 12/15/2023 06:46 AM	Didn’t know it was there
Screen Name Redacted 12/15/2023 07:24 PM	Didn't know about it.
Screen Name Redacted 12/16/2023 12:03 AM	i dident know it existed, rokeby scares me a bit, mostly because of the bogans and creeps, no ofeence. it would be good to have a youth centre in a nicer area
Screen Name Redacted 12/16/2023 11:16 PM	I did once for a school holiday event but I don't feel safe going there.
Screen Name Redacted 1/22/2024 05:50 PM	It has been too difficult to get to. Buses were an issue, and a young person wouldn't use a taxi or uber to get to youth centre. Getting across the highway/ busy road was difficult as well as there was busy traffic as hard to get across. The hours the centre was open to access were not suitable for me as i was more available after 5pm some days.

Screen Name Redacted 11/29/2023 10:02 AM	Gets everyone involved and out of the house to enjoy the day or evening. Whenever the event is on I feel it should be a benefit to people whose parents can’t afford to take them out

Screen Name Redacted 11/29/2023 12:02 PM	I haven't been
Screen Name Redacted 12/01/2023 03:00 PM	I haven't accessed the Rokeby one, but there needs to be a place that is teen centred and led, clean, aesthetically cool, feel homely and inviting, and build the capacity of the teens who attend. I don't think that certain age groups should be able to mix at the same time. As a 15yo I wouldn't feel comfortable is 19/20-25 yo's were hanging around there. Maybe two different facilities for age group blocks e.g. 13-16 and 17-20, and 21-25
Screen Name Redacted 12/12/2023 05:35 PM	don't know
Screen Name Redacted 12/12/2023 06:44 PM	A good staff member

Screen Name Redacted 11/25/2023 05:40 PM	Our economy is in shambles and im beyond terrified at how our future is going to look, especially with a small handful of companies monopolizing our already small island and forcing us to pay exorbitant prices for basic necessities. This state feels like it has no opportunities and nothing of interest and it's getting more claustrophobic by the day

Let's break down the barriers between them and our community, make them feel worthwhile and guide them to our best ability. Relationships is the key word, I have seen some major breakdowns between our youth and our community. Let's get the youth workers on the street and gain their trust, amazing things will happen if this occurs. Encourage the police to chat and be generally interested in the youth, know their names and check in with them, standing with arms crossed waiting for them to muck up is not community policing and I have witnessed some quite distressing behaviour with conduct in Rosny area on Tas pol's behalf. They all have something to offer if we listen and connect. Thanks for making a change in this area the whole community will benefit.

Screen Name Redacted 12/01/2023 03:00 PM	Kids sit under bushes in parks and smoke (tobacco and weed); there is always a risk of confrontation in the bus mall; maccas and kfc are they likely places to find kids hanging out together...so a nice cafe for kids with healthy but yummy food at discount prices would be good with youth officers engaging and talking to kids, building rapport. kids are staying out overnight sleeping rough in car parks and skate park etc because if they don't go home, it's there or maccas - nowhere else to go. There needs to be more for them to do, more help into entry level part-time / casual jobs; How good would it be if a youth officer approached a few of the eshay lads / girls hanging around and said, we are looking for someone for this job, are you interested? Come and see us on Monday...Council are closest to the people and can make a huge difference in the lives of these teens. Me, I've been set upon and bashed in the bus mall for no reason, I've had my things stolen just for being in the wrong place, I've hung out overnight in the skate park with friends, and walked the streets just for something to do. I have anxiety and it's hard for me. But recently, I thought I might like to play soccer. There's no clubs that are just for friendship and fun. It's either school based or too competitive (Clarence Zebras). Same with basket ball. Imagine if Clarence council had inflatable things in the water at the beach, or people willing to take kids out on kayaks, or jet skiis, or bike riding groups, or building facilities where you could do small projects, like a men's shed for older/younger co-existing. Good role models. Maybe age appropriate father / son movies in the park in summer, clarence dance festivals inviting everyone along to do a flash dance (a bit like Kate Bush/Wuthering

	Heights) but for teens...get some local well known Tas rappers to come along and spread a good message. Pay someone creative to come up with these ideas and get it happening...a cultural and arts director or something.
