Screen Name Redacted 10/21/2020 04:00 PM	I think free carparking will grow the eastern shore and the business community here more than anything council will try and do. I talk to lots of businesses and those in the community and the benefit of Clarence is it's free to park and doesn't cost anything.
Screen Name Redacted 10/21/2020 04:01 PM	Thanks you for some interesting speaker and networking previously
Screen Name Redacted 10/22/2020 08:02 AM	Good luck
Screen Name Redacted 10/26/2020 09:20 AM	I would answer maybe to question 16 - I am interested but it would depend on when it starts, time commitment needed etc
Screen Name Redacted 10/28/2020 09:03 AM	I see the development and creation of a Chamber of Commerce as a great benefit to the region. I believe the positive contribution of resources and support from the CCC will value add to all businesses in the region and further enhance relationships.
Screen Name Redacted 10/28/2020 10:28 AM	The business I work for is unique in that we are an international exporter, so are very rarely looking for local business connections. However, I believe the concept is of value for 'typical' local businesses. With a professional marketing hat on, may I provide some feedback that it is essential any new CoC offers contemporary and professional marketing and communications advice and support for its members. What I currently see coming out of Business East is lacking in this area and considerable improvement is needed. Look towards what Brand Tasmania is doing - we need a similar local strategy for Clarence. Tell the story of our area, why it's unique, what it offers and why do business here. Other councils are getting on board with the power of storytelling and connection with strong results. You have some great local talent in the area that could be utilised. Check out www.thetasmaniantuxedo.com as an example.
Screen Name Redacted 10/28/2020 10:37 AM	The ranking needs to state that 1 is most important or 4!
Screen Name Redacted 10/28/2020 12:50 PM	I really don't like separating "Ladies" from the men. As we are all business professionals I think everyone should be treated equally.

Screen Name Redacted 11/02/2020 03:22 PM	I appreciate the regular contact from John Beard and the positive connections he makes with locals.
Screen Name Redacted 11/04/2020 08:05 PM	no
Screen Name Redacted 11/09/2020 11:41 AM	No
Screen Name Redacted 11/12/2020 10:21 AM	Not at this stage.
