

Bellerive Retail Village Pedestrian and Traffic Review

Consultation results

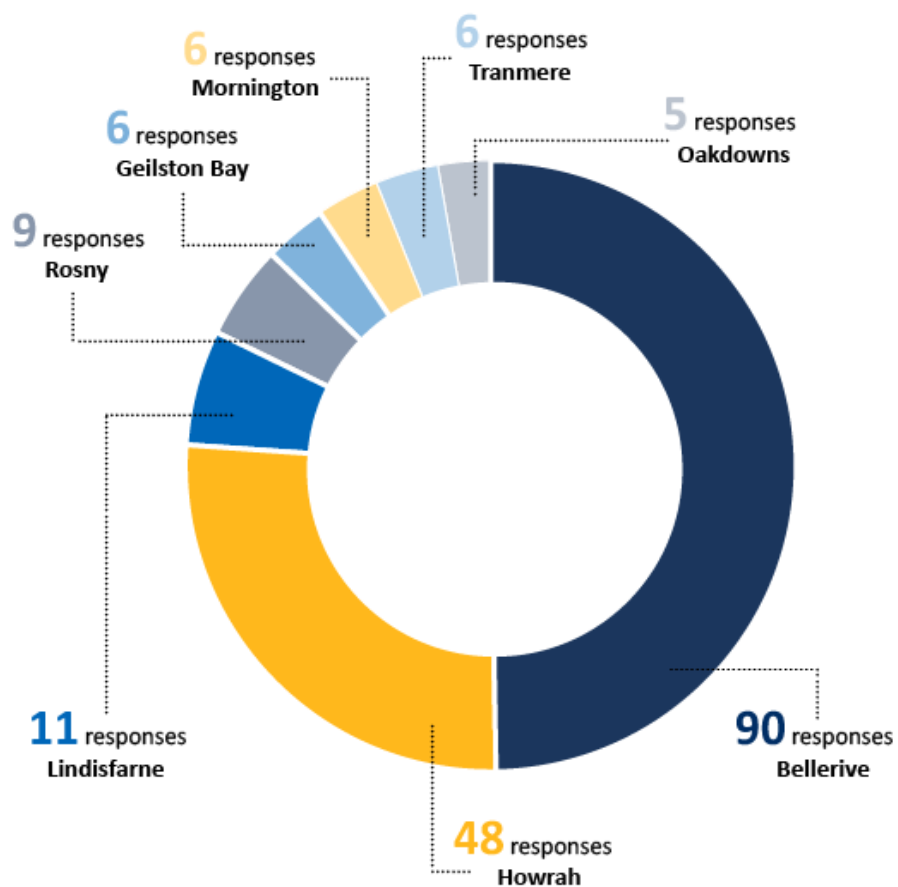

Age

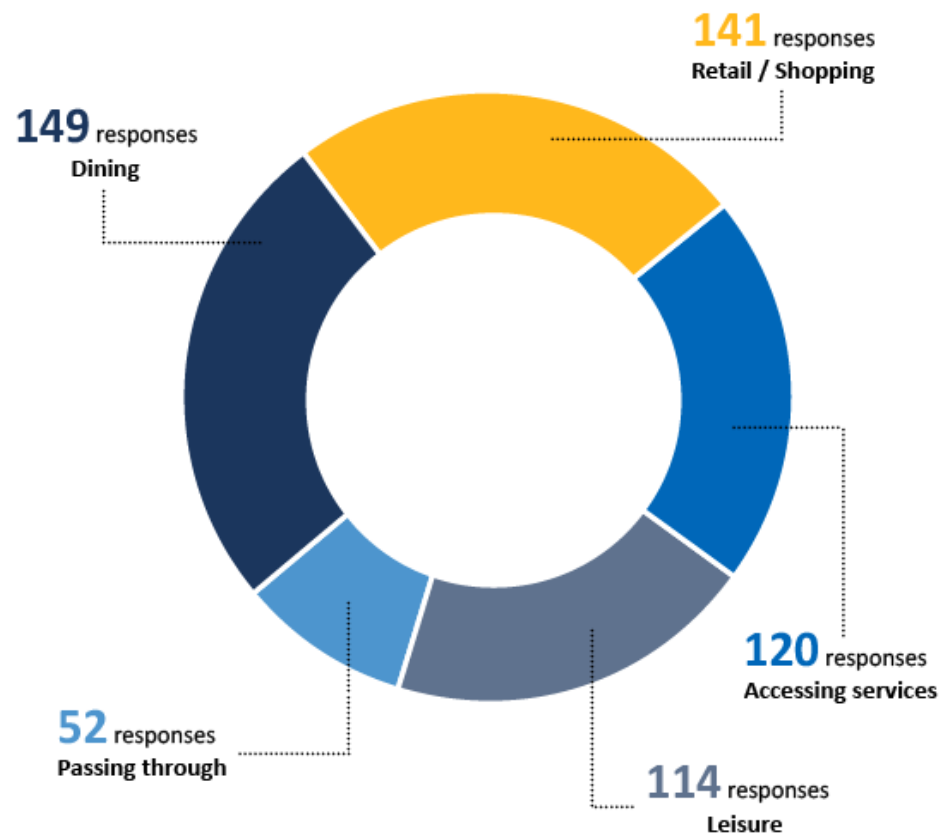

How often do you visit Bellerive?

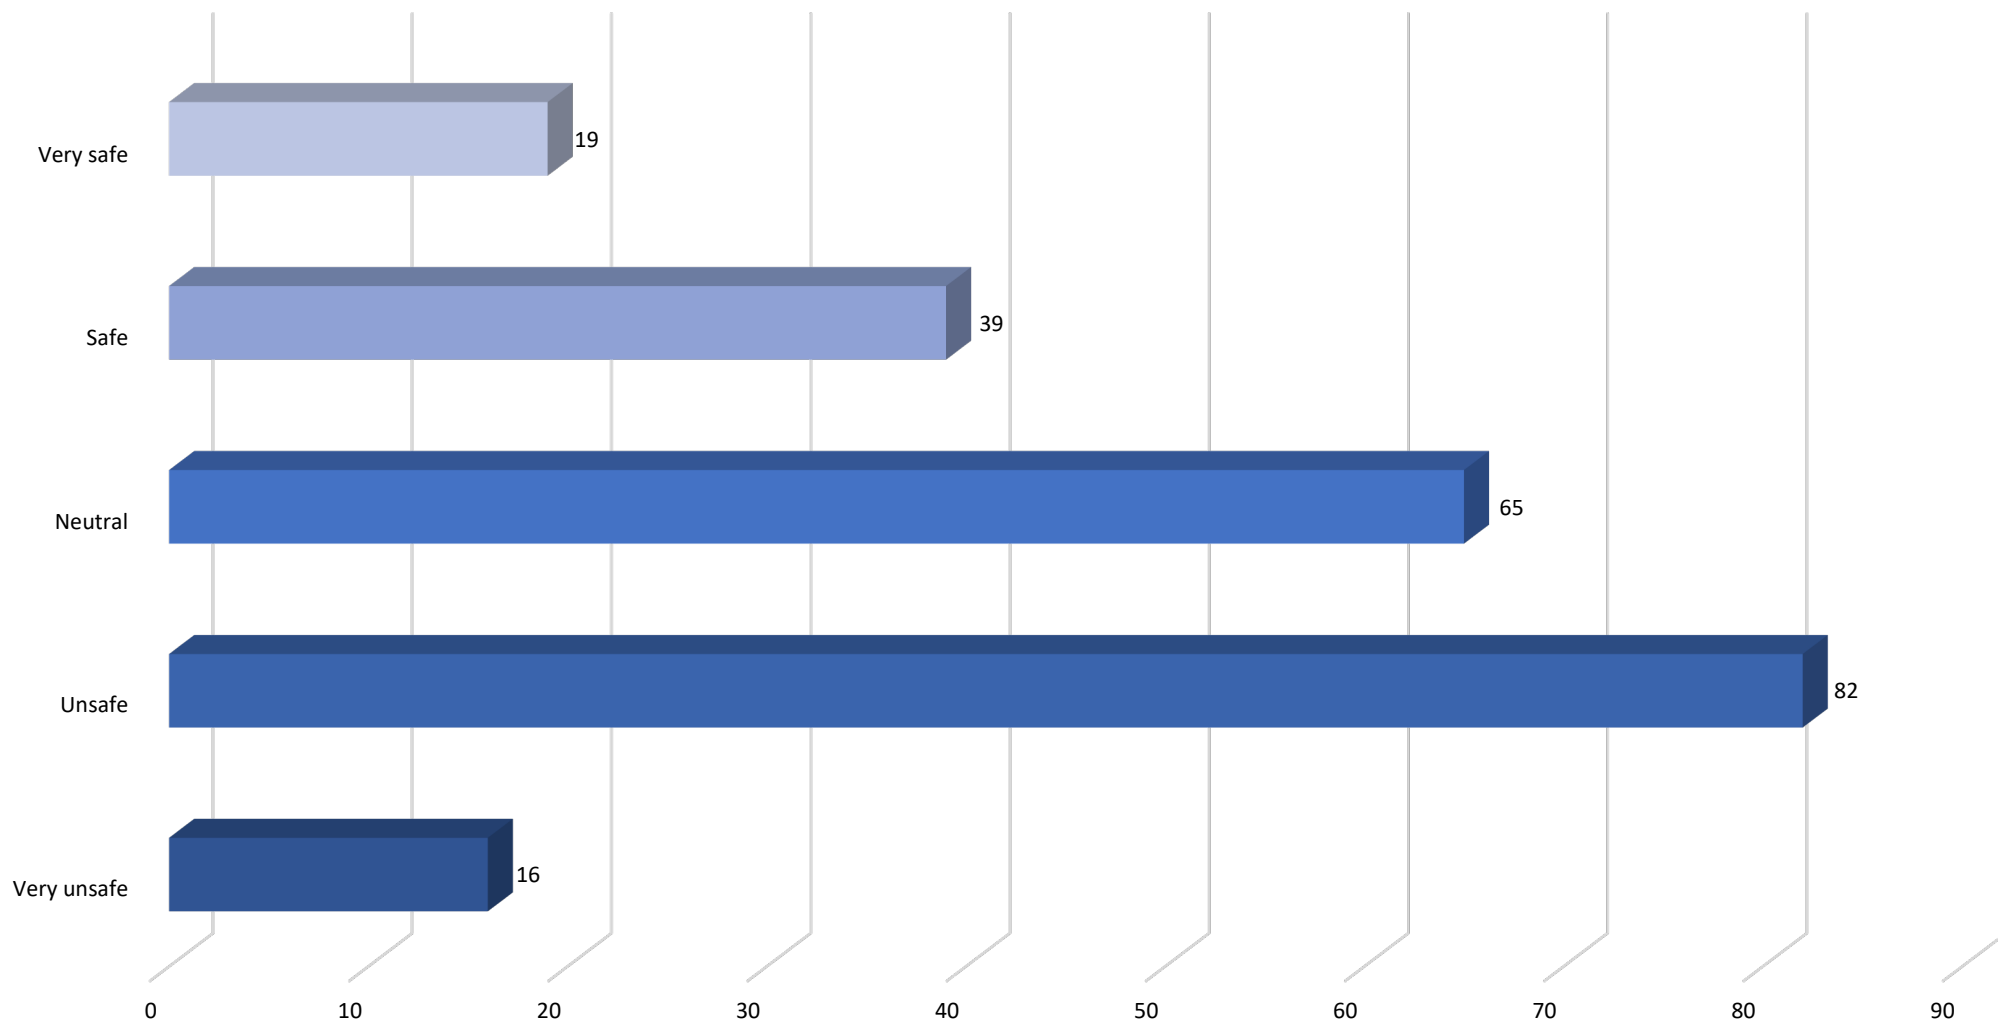

Where do you live (>5)?

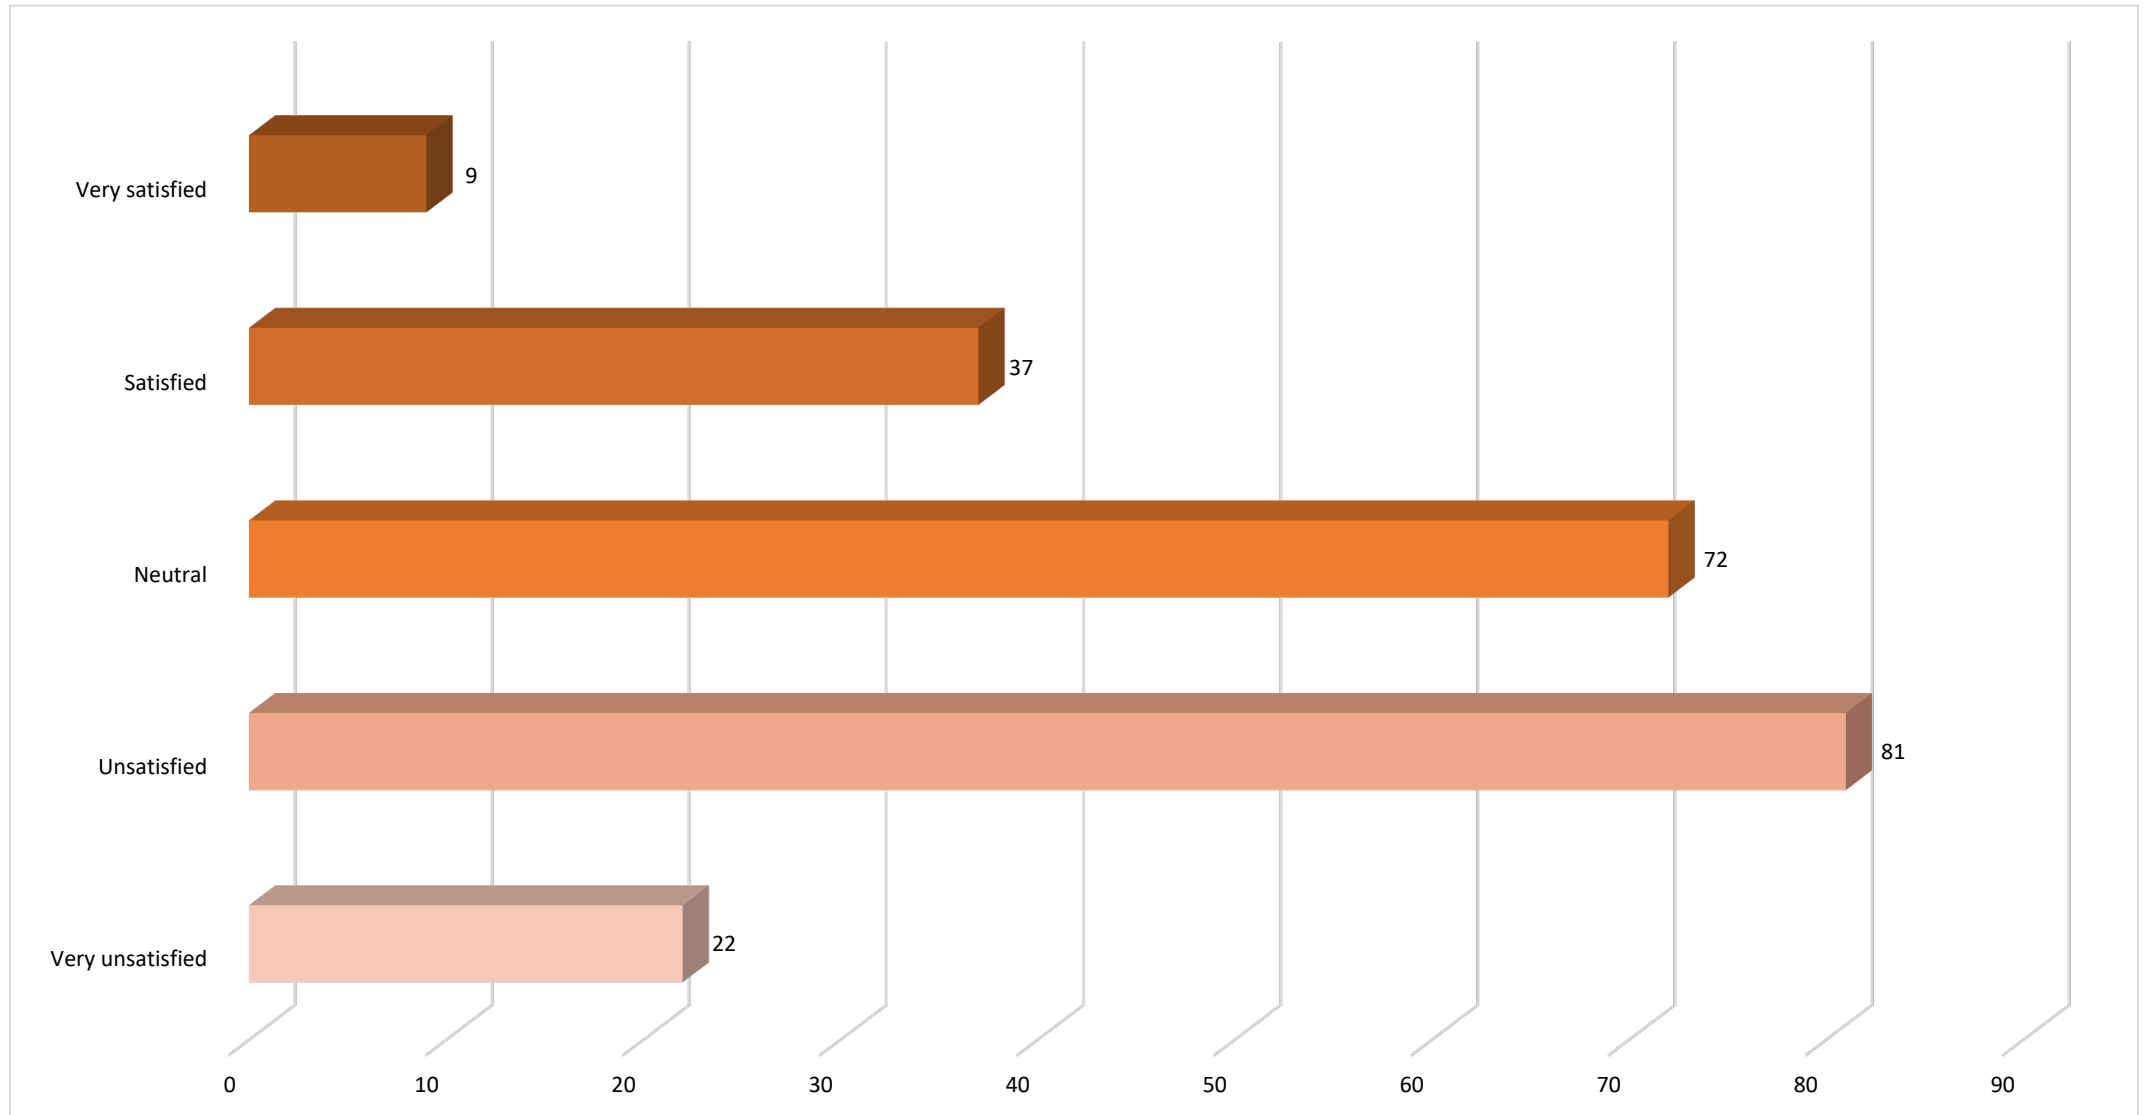

Reasons for visiting Bellerive Village - top results

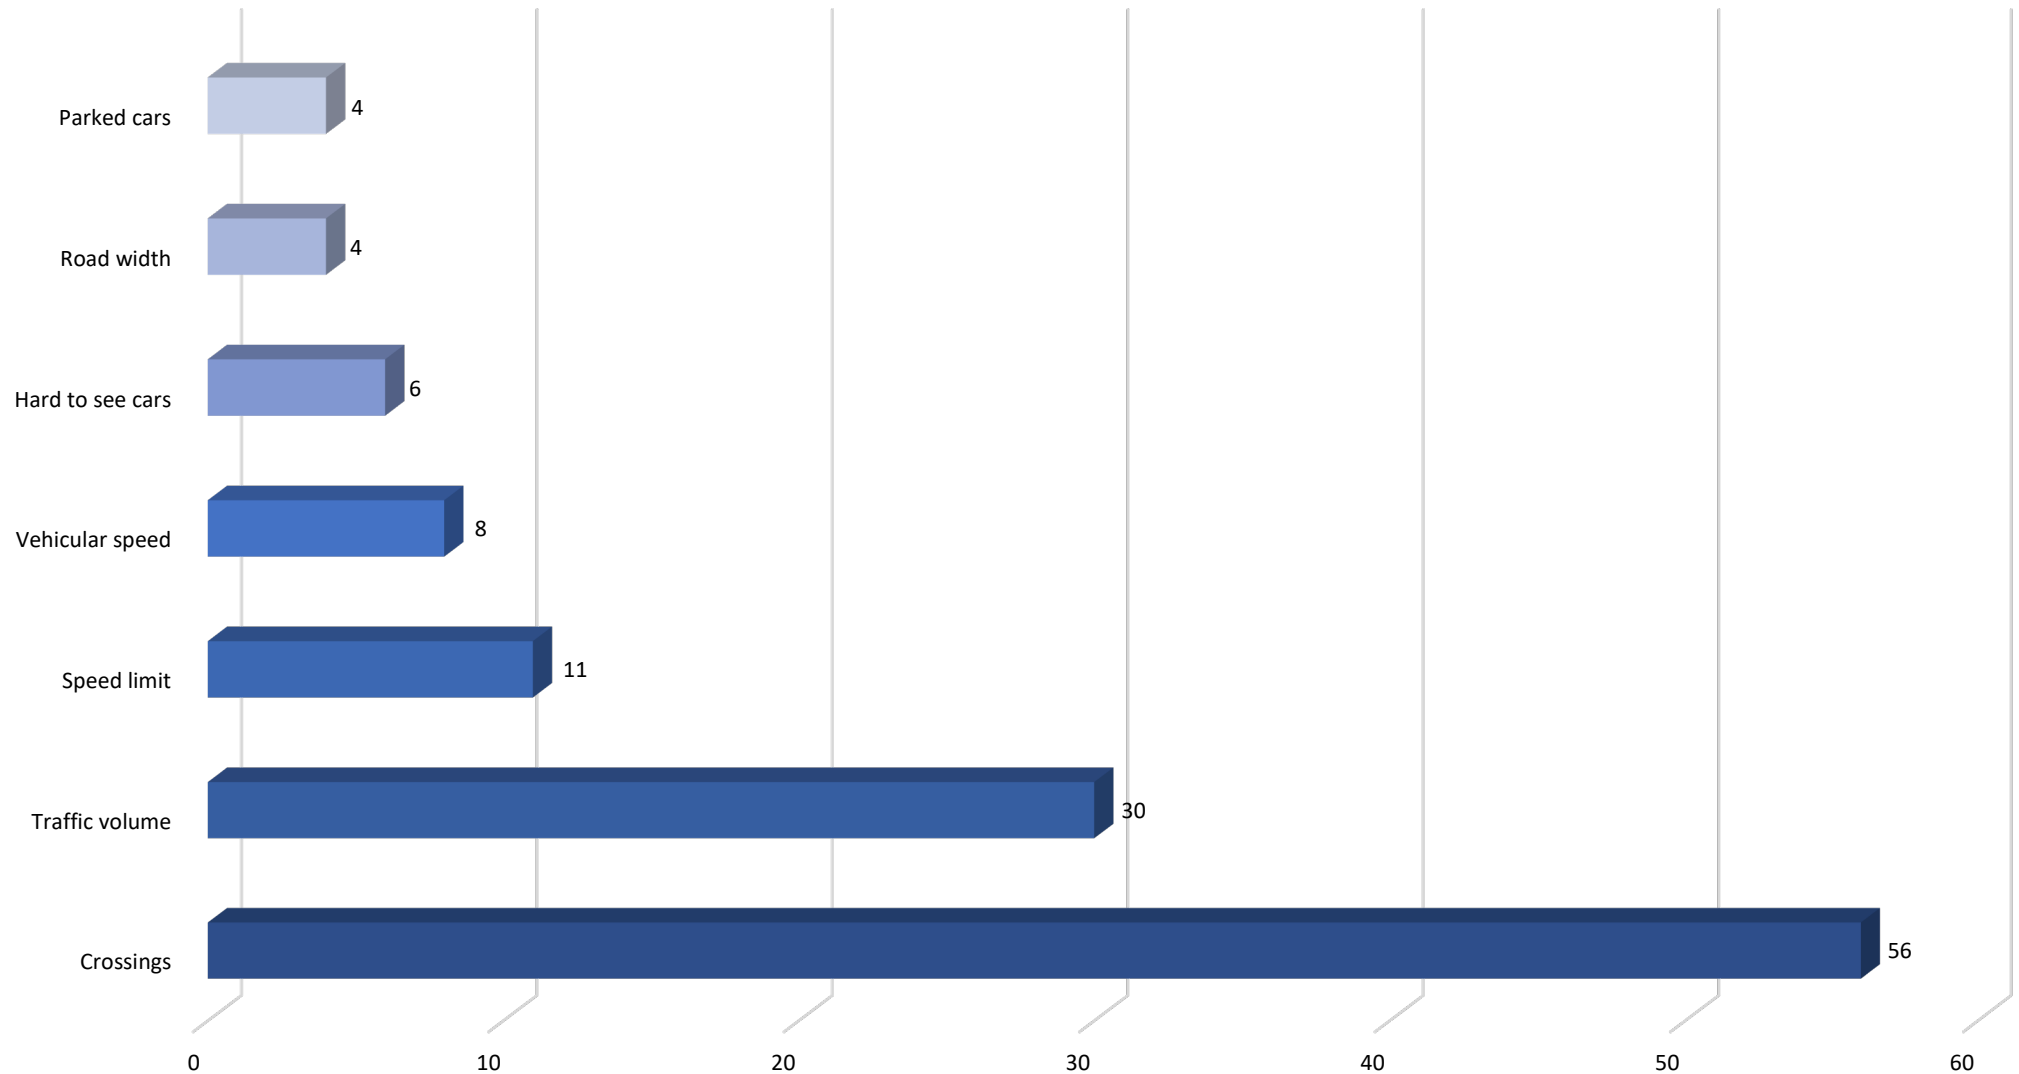

How safe do you feel as a pedestrian?

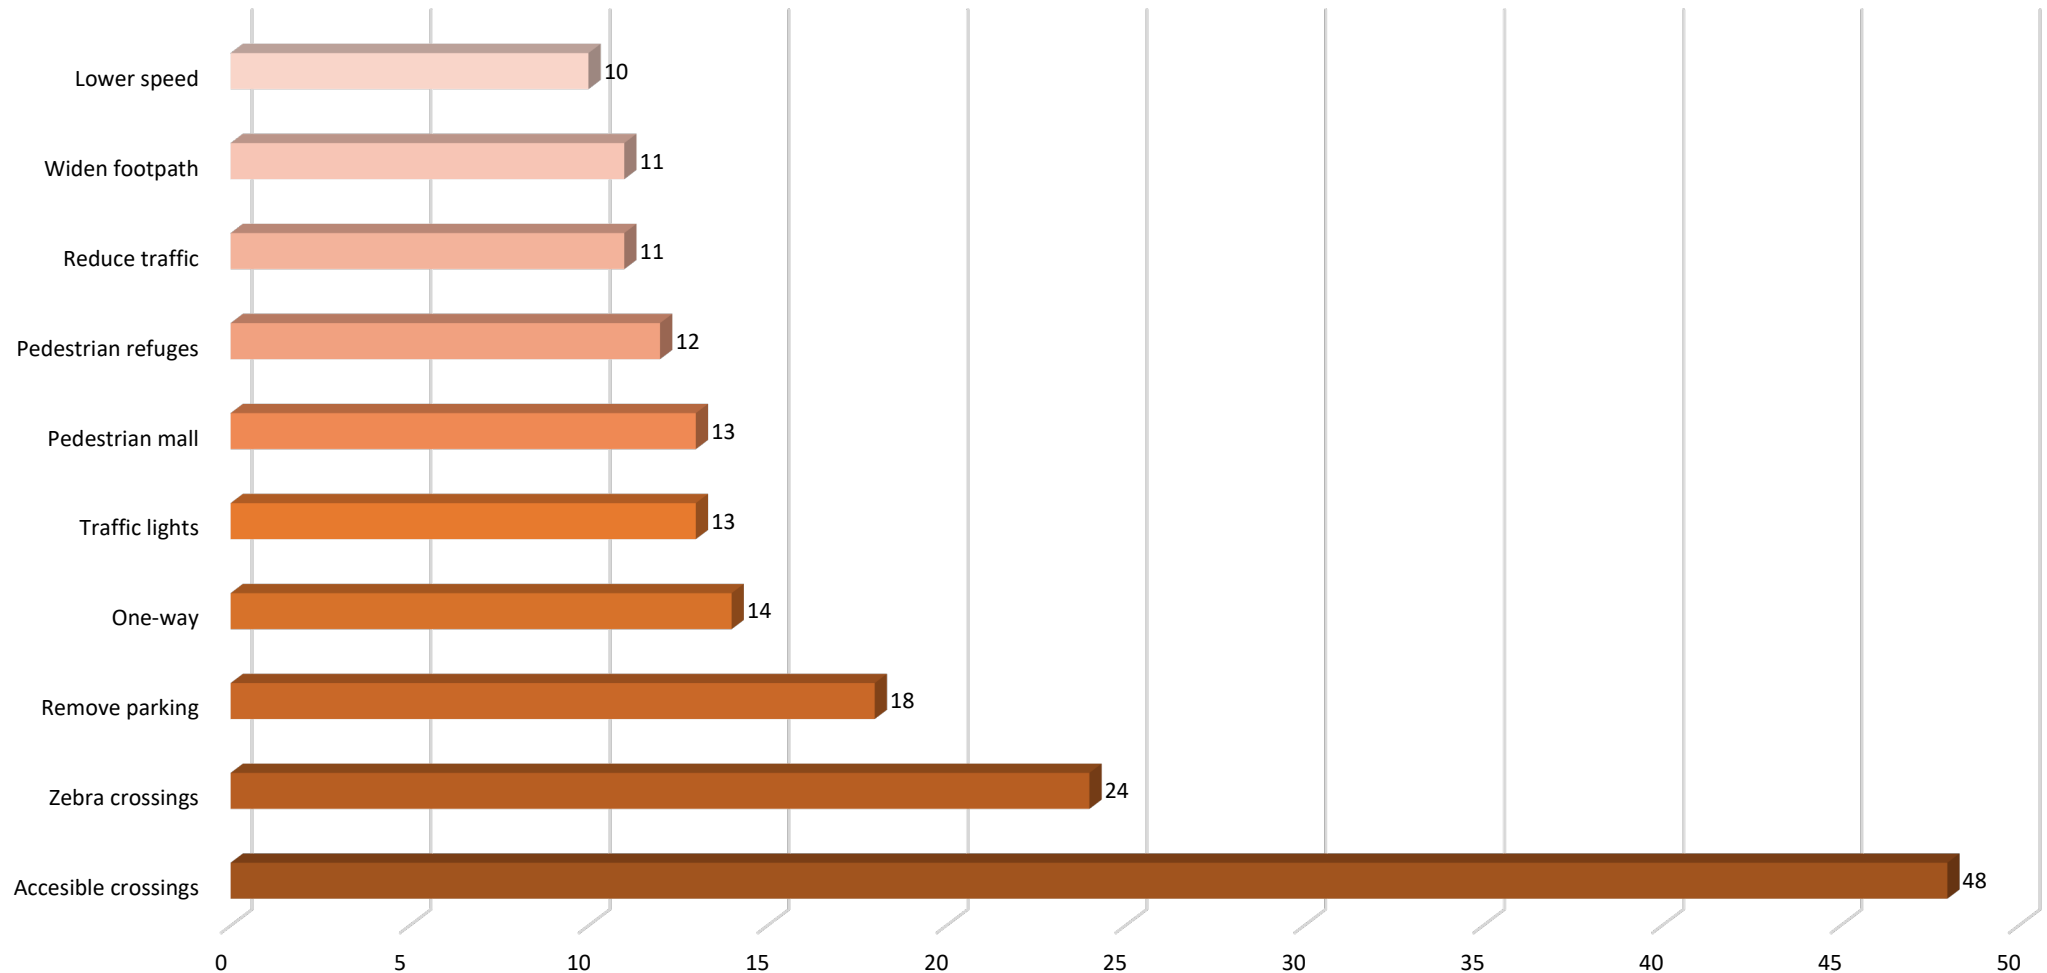

How satisfied are you with traffic management?

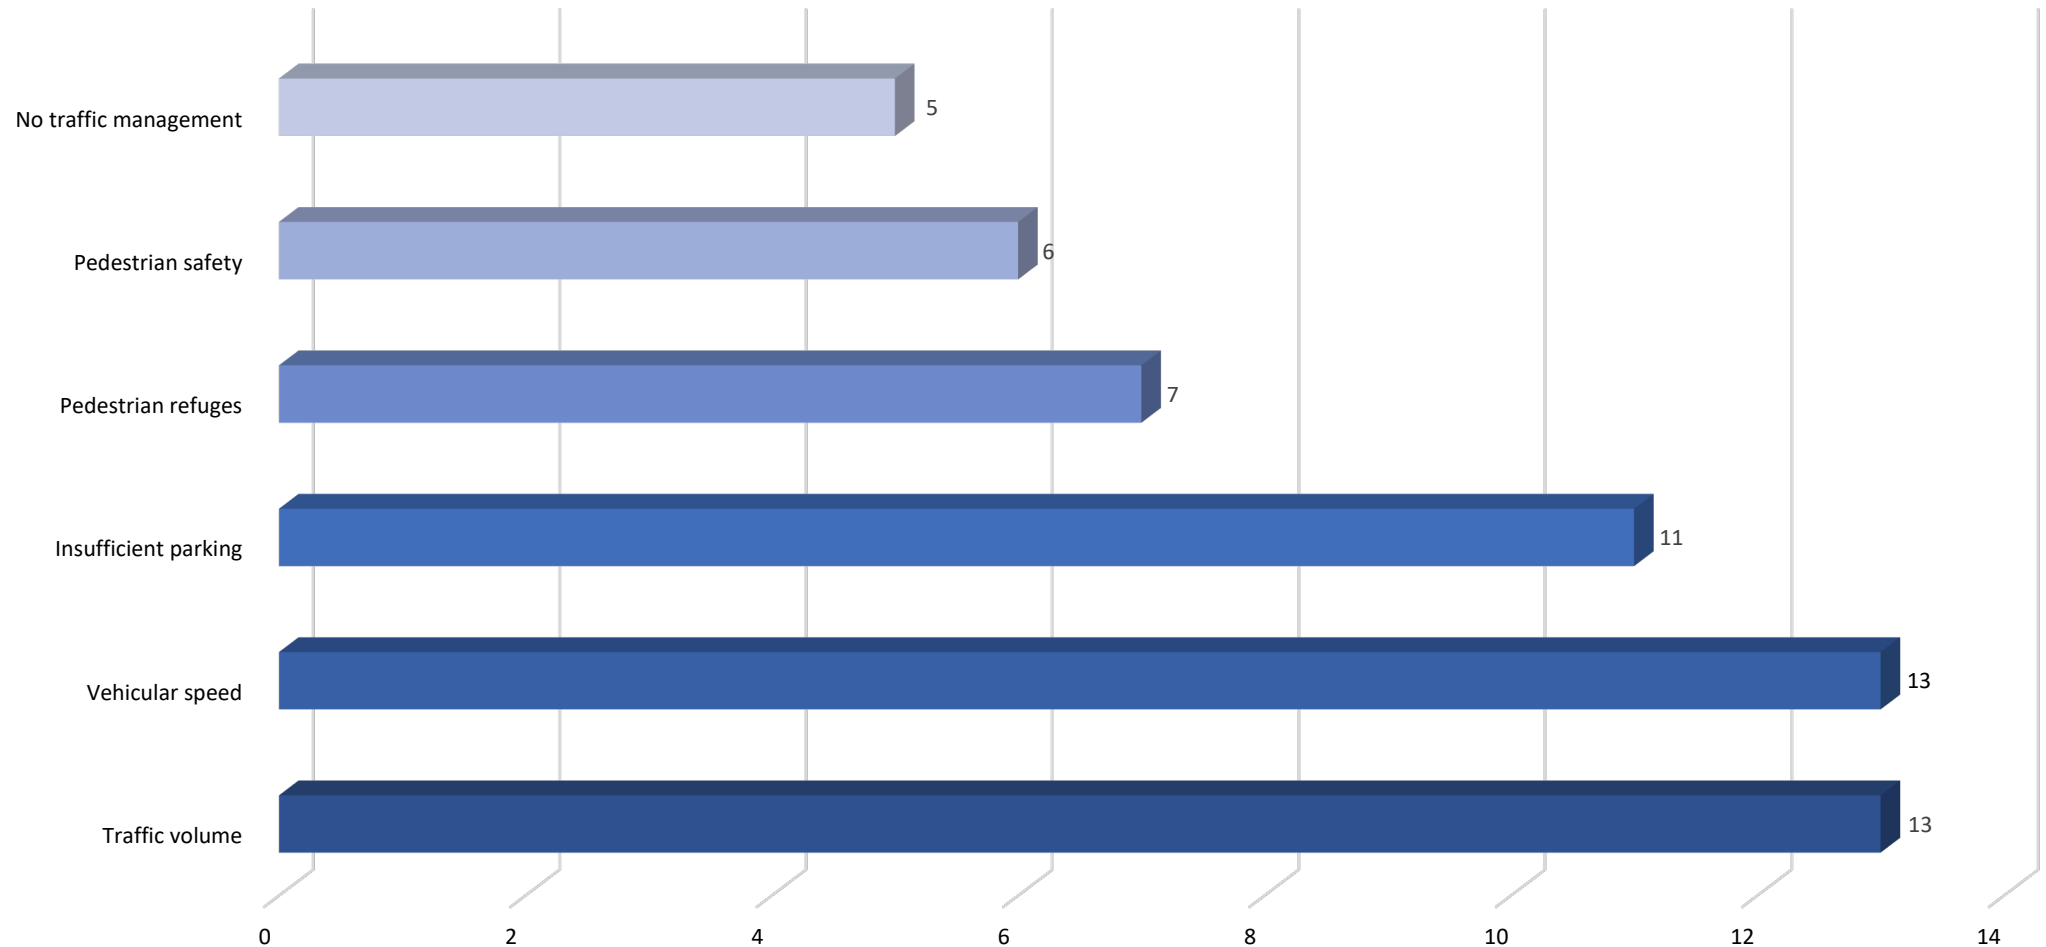

What makes you feel unsafe in this precinct?

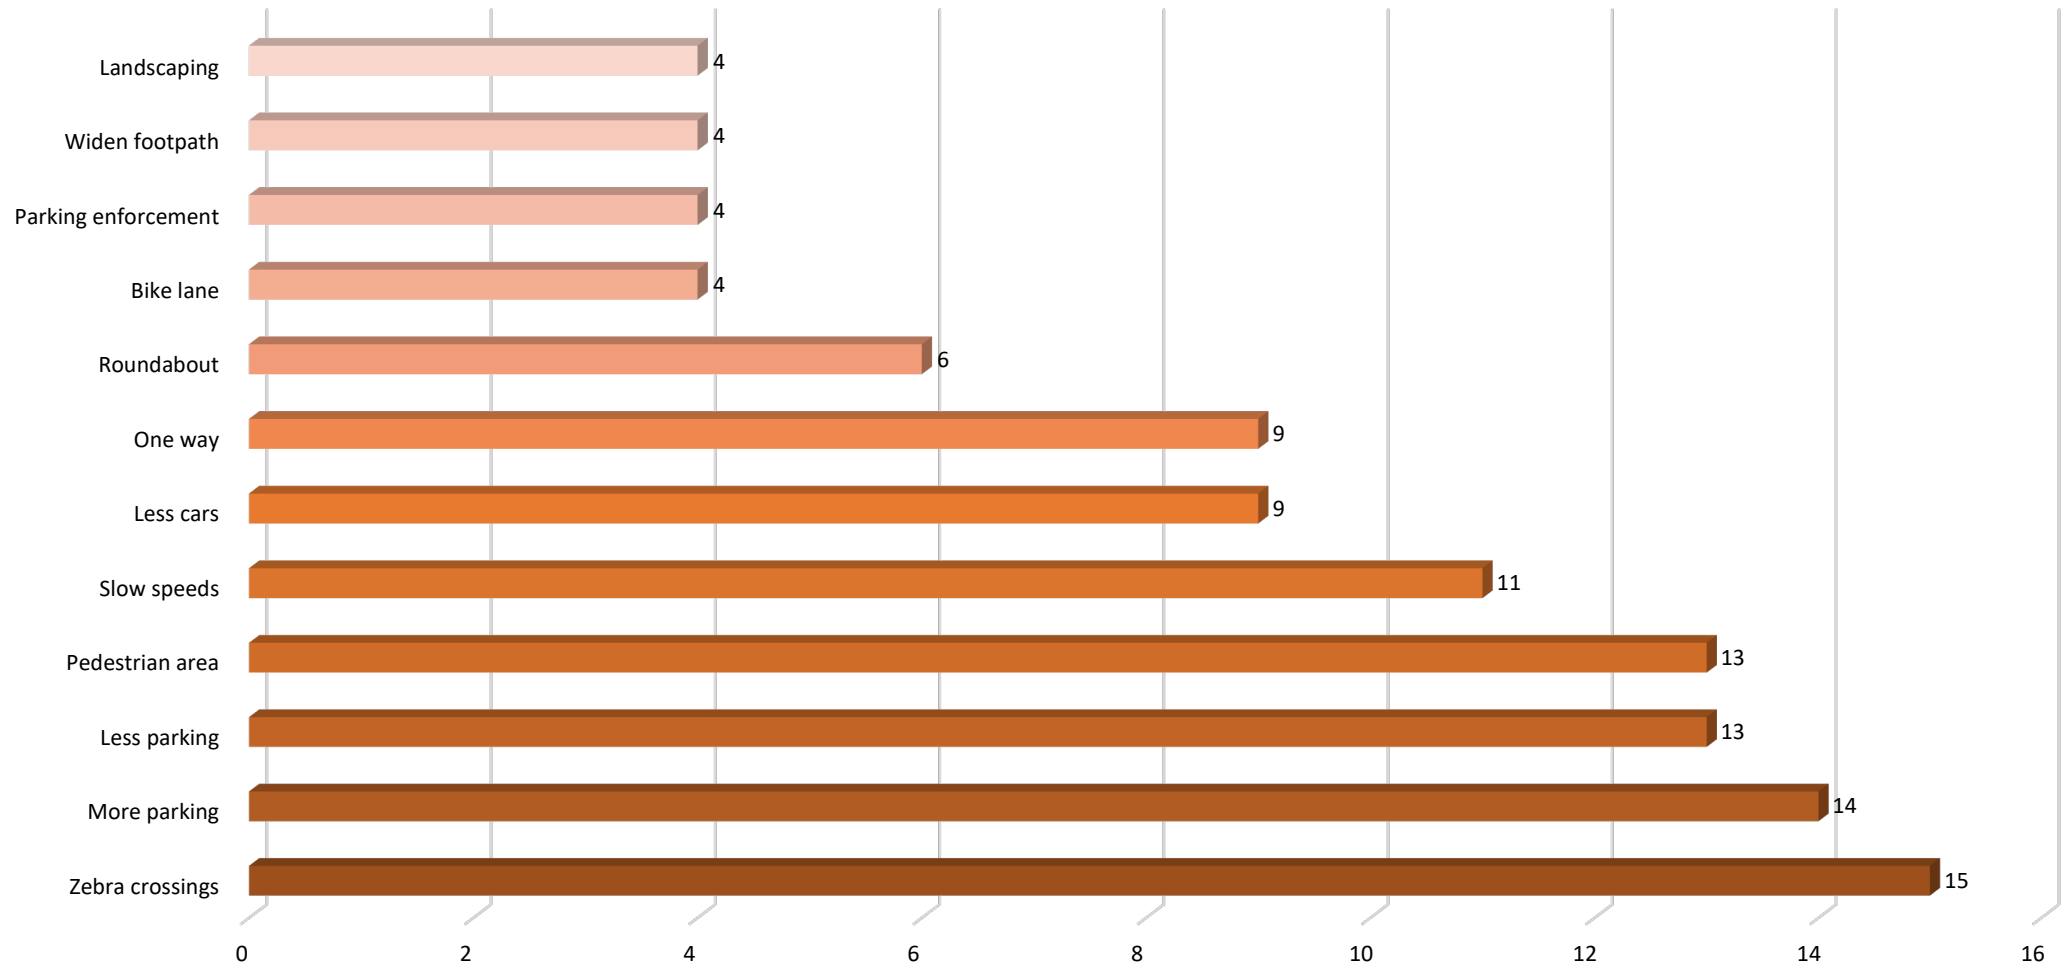

How would you improve pedestrian safety, access and mobility for all?

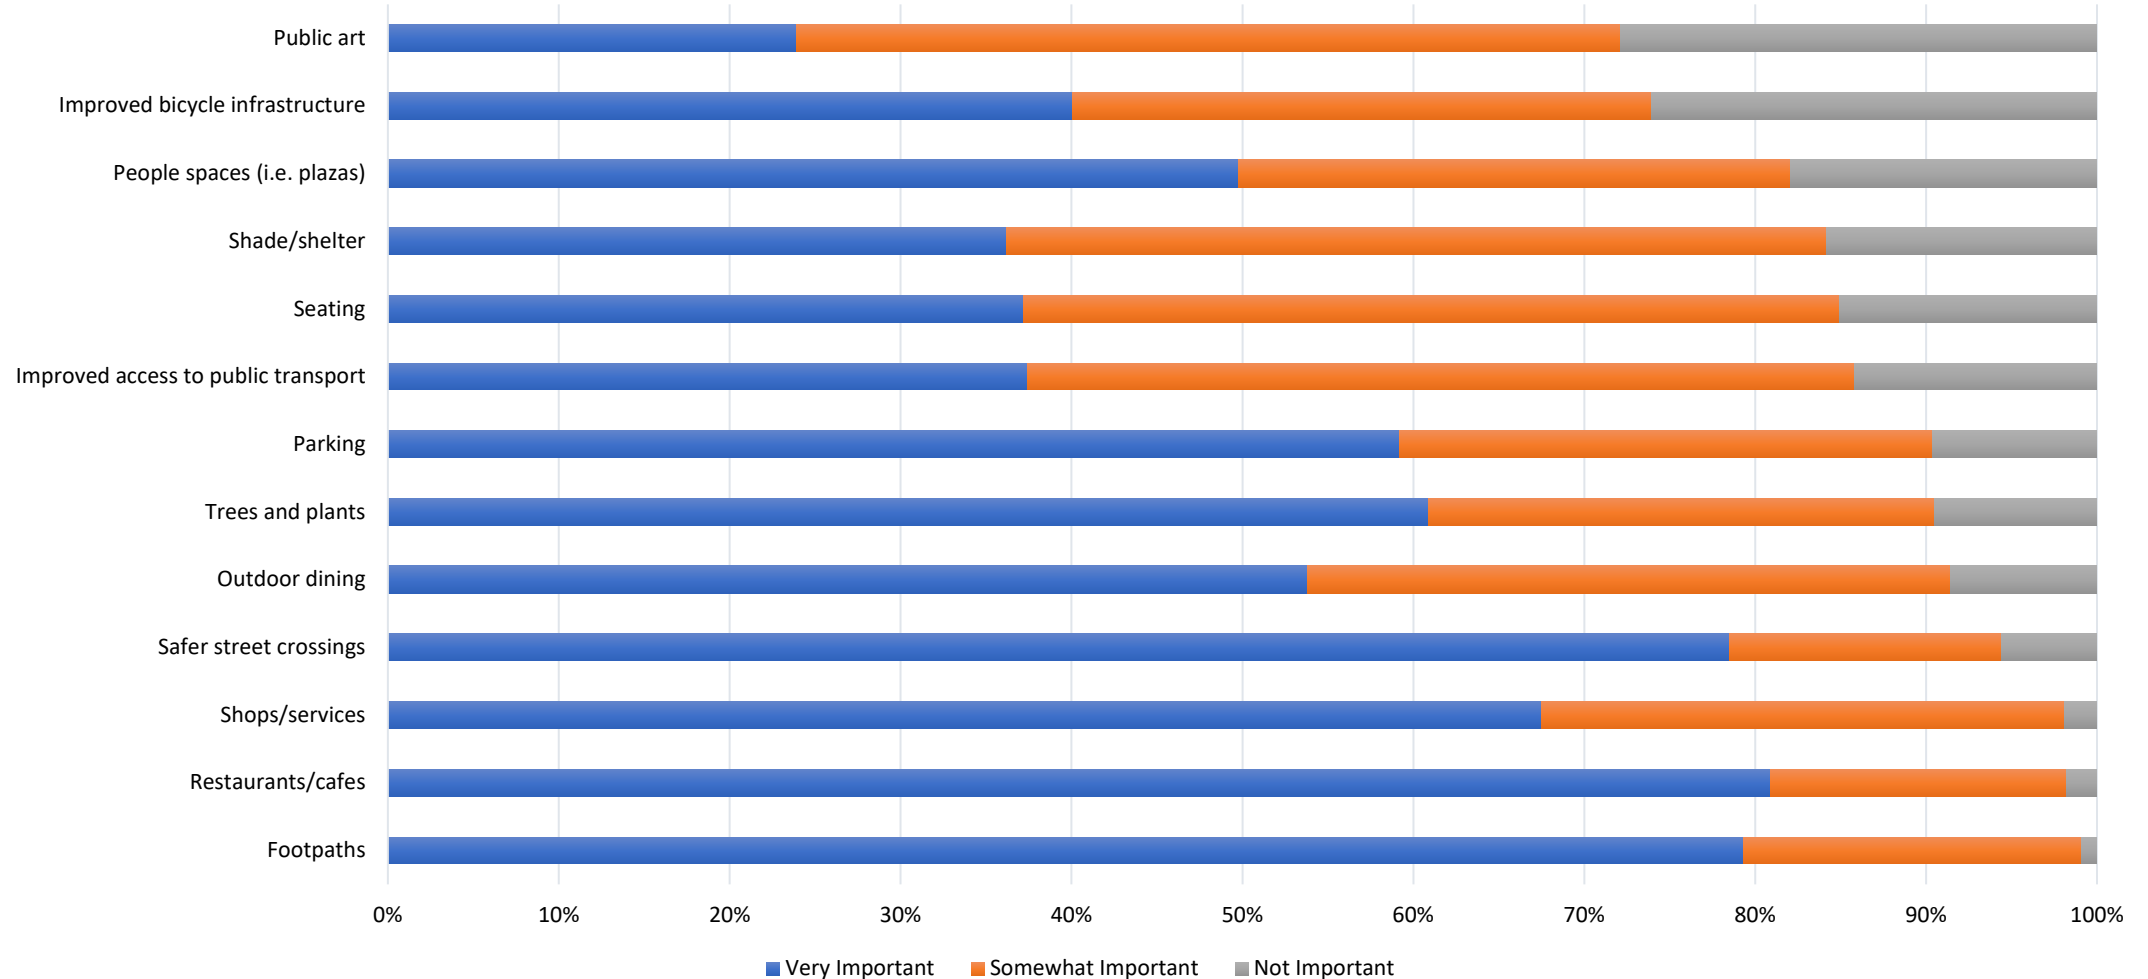

What about traffic management are you unsatisfied with?

Do you have any suggestions to improve traffic management?

How important are the following streetscape elements to you?

What do you like most about Bellerive Village?

- Small, locally owned traders
- Food and service hub
- Village atmosphere
- Connection to the waterfront
- Not a major vehicle thoroughfare

Consultation outcomes

- The feedback from this consultation will be used to assist council in the development of master plans and projects for the retail village, and broader Bellerive, areas.
- It is expected that master planning/streetscape design for Cambridge Road from the Clarence Street intersection through to Victoria Esplanade will commence before the end of 2021. Council will be looking to undertake broad consultation on this in 2022.
