Please dont put digital billboards up. Bellerive & Rosny are relaxed beachside areas. It needs to stay that way. App information would be difficult to keep accurate, because by the time you drove to the vacant spot it would already be taken.

Mostly, I walk in Bellerive, Kangaroo Bay and Rosny Park. I generally only drive and park when doing the weekly shop at Eastlands.

There needs to be more all day parking in Rosny Park..... how many people work in Rosny Park???.

The way that parking violations is being monitored is highly inaccurate currently

This money should have been spent on maintaining the current roads like resurfacing Acton Road, Pass Road and all the various suburban roads that are falling apart across Clarence. It is yet another example of misguided and poor financial decisions that show how ignorant council is of what actually matters to ratepayers. Get the roads and rubbish right first before frolick into areas that don't matter and other pet interests.

There needs to be better parking for seniors and policed parking too

11/03/2023 09:12 PM

many cars in Bellerive Rosny if you can't walk far it's impossible too many use senior of child car parks that aren't in either category.

Stop wasting our hard earned money and use it more wisely. And if this is about parking for the horrible AFL sports centre idea, shame in you for not being transparent. If that monumental waste of money goes ahead, you'll need the ridiculous parking sensors because traffic management and parking will be a debacle.

THIS IS A SCAM. THEY SHOULD BE REMOVED! CCC ARE SNEAKY, SELFISH, PEOPLE.

All day parking for workers. Please consider us. We've moved our business to your area and now we're being penalised because you can't supply enough parking to accomodate. With ferry's and buses and businesses we're even running out of local streets to park on.

I feel it is somewhat remiss of the council to focus so heavily on parking in the bellerive area without developing FORMAL safe crossing points. It is very busy and getting dangerous at times. Please address this

Please don't add parking fees!

Revenue raising. Unnecessary. I'll stop shopping on the Eastern Shore if it's implemented and go to Northgate. Simple. Don't do it. You'll really ruffle the feathers of all the locals.

This is a shameless move to start to charge for local parking. Rates have steadily increased with a decrease in services and benefits. We would not only act with our votes if this is brought in but join lobby and action groups to fight against it. This is a council which is the home for many elderly people (we are not) but you have a responsibility to not make parking a financial burden to your constituents.
